As per our phone conversation of today, you requested a letter confirming our conversation. Specially, I have retired as of last month and I wish to be removed from further contact with the Department of Mental Health. Please send a copy of this letter to Erick Keast of Contracts Development.

From my perspective it has been a nice relationship with DMH, but several years after 70, I feel it is time to let go.

Thank you,

A handwritten signature in black ink, appearing to read "William Kroes". The signature is fluid and cursive, with the first name "William" being more prominent than the last name "Kroes".
